

MEMBER DISCOUNT PROGRAM

Chamber Membership cards now provide access to a growing array of discounts offered by local merchants throughout the Greenwood-Phinney neighborhood to *CHAMBER MEMBERS ONLY*. Members of the Chamber will be able to present their Membership Card to local merchants who have chosen to participate in the program and receive the benefit of a regularly available discount or special offer from one of their fellow local businesses. It's just that simple. Benefit yourself as a member by benefitting a fellow local business. Benefit your business by attracting Chamber members as steady customers.

Here's how it works:

For Merchant Businesses –

Any Greenwood-Phinney business (both member and non-members) that would like to participate (or are already one that offers a discount to Chamber members) should submit via email to info@greenwood-phinney.com or by fax to 206-233-2654 (and put in the subject line CHAMBER MEMBER DISCOUNT OFFER) what the regularly available special offer or discount to *CHAMBER MEMBERS ONLY* will be or is. From there, we will add your business name and discount offer to the posted list of participating businesses on our website (www.greenwood-phinney.com/member_discounts). If you are a Chamber Member business, you will also receive the added benefit of linking your business name to your profile included on our site or to your own site. Just let us know your choice. We strongly recommend that you establish a static offering so that prospective customers can remember and count on it consistently while at the same time eliminate the burden of having to update the Member Discount page on the Chamber website constantly.

Once a business becomes a participant in the program, a Chamber Member customer would then request the discount by showing their updated Chamber Membership Card which will have noted on it the Chamber Member name and valid membership year displayed on it. Each month, we will email to participating business a current member listing document that will allow you to verify membership number, member business name and member contact name. Please make sure we always have a good working email address to send it to.

For Chamber Members –

To take advantage of these potential great savings by your fellow local merchants and businesses simply have at the ready your Chamber Membership card and present it to the participating business to receive your special offer or discount. Peruse our website www.greenwood-phinney.com/member_discounts to check for a full and growing listing of businesses extending savings offer to our members. Other members of your organization can feel free to use your Membership card to gain access to this great program within your own discretion. Discounts will not be available from merchants without proof of membership. And, that's it! Make sure your Chamber membership is always up to date. If you don't have a Membership card please contact us and we will issue you one for a paid valid annual membership.
